Guest Reviews

The staff were very nice and helpful. The manager went out of his way to help us, walking us to the local shop, organising a taxi and offering to arrange breakfast outside of their normal time. Location is amazing, on the beachfront with loads of shops, cafes and restaurants. Big and spacious and would definitely recommend for a family.

Alim - Booking.com

We enjoyed our stay at White Beach Holiday during our family trip to Maldives. The place is as described with all the amenities needed to cook, etc. The location is great, right next to the beach with many dining options within walking distance. The staff deserves kudos! Highly recommend!
